Pemberton Rivington

At Rockbridge Country Holiday Park

This exceptional holiday home is positioned to make the most of its surroundings, with wraparound decking. The kitchen is beautifully appointed. A sleek American-style fridge/freezer, integrated microwave and dishwasher, and extensive cabinetry are all seamlessly built in beneath elegant marble-effect countertops.

A breakfast bar offers a convenient spot for morning coffee or informal bites, while the dining table comfortably seats four. The open-plan lounge is flooded with natural light from expansive sliding patio doors that span almost the entire width of the living area. These doors open onto panoramic views of the tranquil Rockbridge Retreat water and sculpture garden, with the unique viewing dome visible just beyond. The lounge is furnished with a large, five-seater sofa and an accent chair.

The second bedroom is set up as a spacious single, but it cleverly conceals a second pull-out bed, transforming the space into a twin room. It's served by a generously sized shower room, featuring a double-width enclosure and built-in storage.

At the far end of the home, the master suite offers an impressive private sanctuary. A king-size bed anchors the room, which also includes a walk-in wardrobe and an en-suite bathroom complete with a full-size bath – a rare and indulgent addition in a holiday home of this class.
