This inspired model has made a real impression since its launch and owners love the layout and sense of space.

There is plenty of storage in the kitchen plus a plentiful working area and the microwave and fridge freezer can be integrated if required. The position of the glass topped dining table allows plenty of circulation space either side.

Furnishings have been given the designer touch with rich colours contrasting against the silver grey sofas and off-white kitchen. A stunning accent chair gives the lounge an edge and the luxury tiebacks come as standard.

All bedrooms are finished with an oak effect wood which is warm and welcoming. A bright and cheery scheme conjures up thoughts of holidays and lazy days.

For sale on the brand new development at Rockbridge Park, with stunning panoramic views, this is surely a holiday home to own.
