Luxury Lamport Lodge

Based on Rockbridge Park just outside Presteigne on the Welsh border with Herefordshire, the elegant and spacious Lamport is a contemporary modern home with two double bedrooms and a study situated at the end of small cul-de-sac.

An impressive entrance porch leads into a welcoming hall space which includes a cloak cupboard. The stunning open plan living space with twin patio doors onto the decking, is light and bright and has views to the River Lugg which meanders through Rockbridge Park.

The wonderfully appointed galley style kitchen with on trend light grey cupboard fronts leads through into a utility room with built in washing machine and fridge freezer and access to the back door. This property has a great flow as you can leave the utility room go back into the hallway and then turn right for all the bedrooms. There's a study, which could also house a cot bed for visiting small people. The master bedroom has built in wardrobes and an ensuite shower room, which includes a large curved shower cubicle and heated towel rail. A family bathroom has a bath with shower over and the second bedroom also has space for a king size bed and built in wardrobes.

The outside area is roomy and set up for low maintenance with beautiful far reaching countryside views and ample parking.
