### Victory Parkview Lodge

Set on an elevated plot with panoramic views of the rolling Welsh hills, this beautifully presented Victory Parkview Lodge offers a luxurious escape in a tranquil countryside setting. Complete with wrap-around glass-fronted decking, it's the perfect place to relax, entertain, and enjoy the great outdoors in style.

Step inside via the main entrance into a practical utility area. From here, continue into the central hallway and turn left into the open-plan living area, where soothing grey tones are complemented by bold dark blue feature walls, creating a calm yet stylish atmosphere.

Full-height windows on multiple sides, along with large patio doors, flood the space with natural light and connect seamlessly to the outdoor decking – making the most of the stunning views.

The lounge includes two generous sofas, a feature fireplace, and a TV unit, while the dining area comfortably seats four with space for up to six. The unique, L-shaped kitchen is both practical and eye-catching, featuring an integrated fridge/freezer, microwave, eye-level oven 5-burner gas hob, washing machine and dishwasher.

The twin guest bedroom has built-in shelving and wardrobe space. It enjoys direct access to the family shower room, which features a modern suite.

The master bedroom features a king-size bed, a separate dressing area, and a private en-suite shower room complete with an extra-large walk-in shower for that spa-like touch.
